The **Killam Marathon Team Relay** is a fun event that welcomes your corporate group to experience the exciting Full Marathon course divided up into several sections. In teams of 4-8, Relay participants will each run a portion of the Marathon course. You can all run the last part of the route and cross the finish line together as a team!

Team Relay is for people who like teamwork, interacting with others and having FUN! Do you think you know seven other people who fit that description? If your workplace has been impacted by absence of coworkers who are just starting to come back to the office then Team Relay is just what you need to start renewing relationships, reengaging employees and building up comradery.

- You do not have to be the fastest team to win—top prize will be won by draw (one entry per team)
- If your team fundraises for one of our charity partners, you get a bonus entry!
- We will be drawing for other great prizes including a pizza lunch delivered to your office by our mascot Myles
- Friends and Family Teams are also welcome to join the challenge

What could you possibly be waiting for? Get'er signed up and let's get ready to Giv'er! BlueNoseMarathon.com
